

BLABY STOKES NEWSLETTER

Wishing all our families a Happy and Peaceful Easter.

A message from Mrs. Rodger: It is hard to believe that we are now into the Easter break after such a busy few weeks since all the children came back to school– and what a wonderfully busy 3 weeks it has been! Now we are at the end of the spring term and the one-year anniversary of the start of the whole COVID pandemic has passed, I have been reflecting on the incredible strength of our school community and the spirit we have all demonstrated. The fact that our children are all well and have continued to learn with such resilience and determination is something to be really proud of and I know that this has been achieved through the hard work and dedication of our school staff and families. So thank you to you all and we hope you enjoy your Easter break.

Reporting Positive COVID-19 Tests during the Easter Holiday

If your child developed COVID-19 symptoms less than 48 hours from the last time that they were in school and subsequently tests positive on a PCR test please let Mrs Rodger know as soon as possible by emailing covidquestions@bsp.learnat.uk

The school will need to carry out contact tracing for anyone who might have been infectious whilst in school.

If the symptoms developed from Monday onwards you don't need to inform us but please follow instructions from NHS111 or NHS Test and Trace.

If your child will be self-isolating when the school reopens please contact school on Monday 12th April in the usual way.

Parent's Evenings

Following all the disruption this year, we are now holding parent's evenings on Teams on 12th and 13th of May– further details about how to book your time will be with you after the holiday!

We have been so pleased to take delivery of some free and donated furniture from Mrs O Hara's husband's firm– the teachers have new chairs!
