

BLABY STOKES NEWSLETTER

A message from Mrs. Rodger: It is hard to believe that we are now into the summer term after the Easter break as this week seems to have whizzed by! Now the one-year anniversary of the start of the whole COVID pandemic has passed, I have been thinking about the incredible strength of our school community and the spirit we have all demonstrated. The fact that our children are all well and have continued to learn with such resilience and determination is something to be really proud of and I know this has been achieved through the hard work and dedication of our school staff and families. We will be continuing to use Teams for setting our homework so please do look out for this! **#kindproudtogether**

Parental Questionnaire

You may have seen that our Trust have sent out a parental questionnaire for you to have a look at- if you have not done so yet, is the link is below- we'd love to hear your views about how we are doing and how things are going- both positive and less positive (!) as we want to make our school really shine! The questionnaire is similar to one we might have when we are inspected again so the more information we can have, the better! We are determined to show how much our school has improved when we are next inspected and need to get rid of the previous Ofsted judgement! Deadline is Monday! Thank you so much

Parent's Evenings

Following all the disruption this year, we are now holding parent's evenings in mid May and **reports will be sent out on May 7th**. We also plan to hold an open evening on **June 30th** where we are hoping you will be able to come into school and meet your child's next teacher!

We await further Govt guidance on holding events such as sports day with parents watching.

Look out for further details nearer the time!

Starting School in September?

We were delighted today to find out all the names of the families who will be joining our lovely school in September and we can't wait to meet you! If you know anyone who has not applied for their place and would like to join us, please ask them to contact the school office and we will see what we can do!

Well done to Freya who ran to raise over £400 for Epilepsy Action! What an amazing effort!

A HUGE well done to our Year 4 children who took part in the RSPB's wild challenge during lock down and for this wonderful certificate received just before Easter!
